Highline Community College's
Marine Science and Technology (MaST) Center Presents –

Puget Sound Fishes and the Elusive Sixgill Shark

Photos : Six gill shark - NOAA Photo Library, Brown Rockfish – Brett & Vicky Olson, Plainfin Midshipman, Red Irish Lord – Daniel W. Gotshall, Sailfin Sculpin – Troy Schneebeck

Please join us to hear....

Chris Van Damme

Biologist – Seattle Aquarium

**Saturday, November 1
12:00 - 12:45**

**Highline Community College
MaST Center**

Located near the Redondo Beach Park

A powerpoint demonstration featuring some of our local Puget Sound Fish including the Sixgill Shark. The talk will focus upon identification and information on various species of local fish and culminate with information about the Aquarium's Sixgill Research.
