

Science Scholars Program Cohort Hours Form

To maintain your Science Scholarship, you will need to participate in 30 hours of cohort activities per year. (You should average about 10 hours per quarter.) Your cohort hours may come from this list or other activities approved by your advisor:

- Field trips
- 2-credit Human Powered Paper Vehicle class
- 2-credit Design and Build a Greenhouse class
- Cohort graduation ceremonies
- Industry visits
- University visits
- Professional conferences
- Volunteer opportunities
- Internships
- Interdisciplinary projects
- 1-credit Science Seminar Series
- Honors colloquies
- Transfer workshops
- Career and job-finding workshops
- Writing and math workshops
- Being a Tutor

Use this form to document your cohort hours. Fill out the form and have it signed by somebody who is responsible for the event. Attach all completed cohort hours forms to your quarterly report when you talk with your academic advisor.

Your Name: _____ Date: _____

Description of event: _____

Cohort hours earned: _____

Signature of individual responsible for event: _____
