

Science
on the
Sound

Highline Community College's
Marine Science and Technology (MaST) Center Presents –

So what do you see down there, anyway?

Please join us to hear....

Janna Nichols

REEF Marine life ID instructor,
Scuba Diver

Saturday, May 2
12:00 – 12:45

Highline Community College
MaST Center

Located near the Redondo Beach Park
<http://www.highline.edu/mast>

Always wanted to
know what scuba
divers see when they
dive in Puget Sound?

An insider's look at the
wacky, colorful marine
critters found down there,
and what it takes to dive in our
cold emerald green waters.
