Registered Nursing AAS Program (2-Year Option)  
Special Cycle for SPRING 2013

Application Process  
Applications to begin our RN program Spring 2013 are due December 14, 2012. Submit in person to Admissions (Building 6) by 5:00 pm. Mailed submissions must be postmarked on or before the deadline. Incomplete applications will not be considered. Provide copies of application materials; nothing submitted will be returned. We anticipate a total of 17 applicants will be accepted by random selection. Notifications will be mailed February 2013. Applications are not carried over to future application cycles. If you have coursework from other schools, please submit those for evaluation as soon as possible. They can be submitted prior to your full application.

Elements of a Complete Application  
1. The Spring 2013 Application (all blanks filled out legibly and in ink)  
2. Paid RN Program Application Fee  
3. Evidence of Nursing Assistant Certification current through 2/1/12  
4. TEAS™ Score of 75 or higher  
5. Any applicable transcripts and a Request to Evaluate form for those transcripts

TEAS™ [Test of Essential Academic Skills]
- You may use previous test scores (version 4 and higher) if earned within the last two years. Tests taken on or after November 1, 2011 must be Version 5.0.  
- Establish a user name and password, select a testing time and pay the testing fee at www.atitesting.com. On the registration page, select Washington State and Des Moines to see the Highline Community College testing appointments. The ID number for HCC is 4200046. This site also has resources to help you prepare.  
- On your test date, arrive early at the Placement & Testing Center. Bring your photo ID and your ATI username and password. The test takes approximately 4 hours.  
- You may take the test at another college. If you do, you will need to request that an official transcript be sent to Highline. This involves an additional cost of $25.

Statement of Understanding

To the best of my knowledge all statements on this form are true. I understand that acceptance to HCC does not guarantee acceptance into the nursing program. I have familiarized myself with the nursing program requirements, timeline and schedule as well as the HCC degree requirements. I have reviewed the Nursing Student Handbook, particularly the section addressing the skills and abilities required. I understand that a criminal background check is required of those accepted into the program and that clinical agencies have the right to refuse placement of students with a history of certain offenses. I am aware that successful completion of the program leads to eligibility for taking the licensure exam, not licensure. I know that this document is not a contract and that if college regulations or program requirements change during the application cycle, the most current policies will be applied.
